

Hello Friends and Neighbors!

As we shift into the Safer at Home and Safer at Work environment, please remember to do your part in keeping yourself and others as safe as possible. While you may be feeling fine and able to acquire and work through the COVID-19 virus successfully, others are at a higher risk. The Town of Kersey and its citizens are known for caring about one another so please take precautions when contacting others; it's all about your safety and the safety of those around you.

There are definitely more questions than answers when it comes to how the Town should respond to the various levels of government orders or suggestions. The Town's website contains an abridged set of guidelines for the State of Colorado's "Safer at Home" public information. These guidelines are presumably meant to give guidance on how to socially interact with one another while beginning to reopen intrastate commerce, group gatherings, and general personal welfare. The Town of Kersey will comply with all orders issued by the Colorado State government.

Weld County has released its own "Safer at Work" guidelines and has created a COVID-19 virtual dashboard to see updated information specific to Weld County. Ironically, Kersey's 80644 zip code area shows the lowest number of confirmed COVID-19 cases while the adjacent zip code of 80631 is the highest.

Please take a few minutes to review both the state and county guidelines. For specific questions regarding the Safer at Work guidelines please contact the Weld County Department of Public Health at:

Weld County Offices: Weld County Colorado 1150 O ST. Greeley, CO 80631

Mailing Address: Weld County Colorado PO Box 758 Greeley, CO 80632

Phone: (970) 400-4000

The Town of Kersey government offices, playgrounds, and park shelters will remain closed until further notice, however we are constantly re-evaluating and assessing those measures. Most services will be available by appointment only; please call Town Hall at 970-353-1681 to speak with Town Staff with any questions or inquiries.
